

The screenshot shows the Selenium IDE interface within a Mozilla Firefox browser window. The title bar indicates the extension is running on Selenium IDE - Opencart\*. The main window is titled 'Project: Opencart\*'. On the left, there's a sidebar with a 'Tests' tab and a search bar. Below the search bar, a list of tests is shown, with 'opencart test1\_ab2\*' selected. The main area displays a table of test steps for the selected test. The table has three columns: 'Command', 'Target', and 'Value'. There are five steps listed: 1. 'open' with target 'https://demo.opencart.com/', 2. 'send keys' with target 'css=col:nth-child(2) img fluid', 3. 'set window size' with target '1053x800', 4. 'click' with target 'name=search', and 5. 'type' with target 'name=search' and value 'mobile'. At the bottom of the main area, there are input fields for 'Command', 'Target', 'Value', and 'Description', each with a dropdown menu and icons for help and search. The bottom of the browser window shows a 'Log' and 'Reference' tab bar. The desktop background is visible on the left side of the image, showing various icons like 'metadata', 'Firefox', 'Google', 'Opencart.side', 'Amazonpro...', 'chitra', 'Eclipse IDE for Java De...', and 'Eclipse Programs'. The system tray at the bottom shows the date and time as 14:36 on 12/08/2025, along with various system icons like network, volume, and battery.

Extension: (Selenium IDE) - Selenium IDE - Lab3Opencart — Mozilla Firefox
